DETAILED ACTION

1. Claim 30 has been canceled.

Priority

2. Receipt is acknowledged of papers submitted under 35 U.S.C. 119(a)-(d), which papers have been placed of record in the file.

Claim Rejections - 35 USC § 112

3. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

4. Claims 1-29 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Regarding claim 1, the phrases "such as", "and or", and "can be" renders the claim indefinite because it is unclear whether the limitations following the phrase are part of the claimed invention. See MPEP § 2173.05(d). Further, it is unclear whether the limitations within the parentheses of the preamble of Claim 1 are part of the claimed invention.

Claims 2-29 are dependent on claim 1 and therefore indefinite. Further, many of the dependent claims of 2-29 contain the phrases "such as", "and or", and "can be".

Claims 1-29 will be reconsidered after response to this 112 Rejection.
